THE TERRY FOX
FOUNDATION

February 13, 2019

Ms. Catherine Reynolds
Granite Ridge Education Centre
14432 Highway 38
Sharbot Lake, ON K0H 2P0

Dear Catherine,

"I want to set an example that will never be forgotten."

Congratulations to the staff and students of Granite Ridge Education Centre for raising $2,000.10 for cancer research in Terry's name. Every one of our 4,300 Terry Fox schools in Ontario played a vital role in helping to raise close to $7 million for important research projects that are making a difference to cancer patients and their families.

During the Marathon of Hope, Terry ran into the hearts of Canadians who were inspired by his tenacity and courage. Today, Terry's legacy is as iconic as the Maple Leaf itself, standing for what it means to be Canadian: kind, generous and compassionate. Your students show themselves to be positive agents of change, empowered and determined to lead the fight against cancer.

It is always inspiring to see educators and students go the distance, making the Run part of their school culture. A record number of schools held a *Terry Fox Challenge* as well as joined the ranks of our *Be Like Terry* youth leadership program. We applaud you all for demonstrating wonderful creativity and enthusiasm for your event.

Today, the future of cancer research is brighter than ever with new discoveries, better treatments and more positive outcomes for cancer patients. Lives will be transformed as more Canadians hear this simple sentence, "We can treat your cancer successfully." We can never truly express the depth of our appreciation to you and your students for giving others the most precious gift of all - hope.

With heartfelt thanks,

Lisa, Wendy, Nishi, Katie
