## **January Summative Evaluation/Examination Schedule**

### **Semester 1, 2022-2023**

#### **Summative Evaluation/Exam Schedule**

- January exams will run from **January 26** through **January 31**.
- Inclement weather days will be **February 1 and 2**. The PA day is **Friday, February 3**.
- All exams are written in the morning so any students without a pre-arranged appointment with a specific teacher or a specific culminating activity in the afternoon should make arrangements for a pick-up by 11:30 am or sign up for one of the two mid-day buses. See information below.
- Arrangements need to be made in advance as most teachers are supervising an exam or have other supervision duties during the examination period. Students who need extra help before their exams should see their teachers during the review days for permission to attend afternoon sessions and should sign up in Student Services.

#### **Absences**

- Students Under Eighteen Years of Age: If you are ill on the day of an exam, your parent or guardian must contact the school @ 613-279-2131 before 8:30 am to arrange an alternate time for you to write the exam.
- Students Eighteen Years of Age or Older: You must contact the school before 8:30 am if you are ill on the day of an exam to arrange an alternate time for you to write an exam.
- All students, please remember that vacation planning, scheduled appointments and work schedules do not constitute emergencies and may cause you to lose the opportunity to demonstrate your learning on an exam.

#### **Review/Term Culminating Days**

- **January 24 and 25** are official review days. Some teachers may start to review earlier, students should check with their classroom teachers.

#### **Busing**

- During exam days, two buses will depart the school at 11:30 am using the late bus routes (one South bus and one North bus). Regular buses will also run on their normal routes at 2:40 pm for those students who have made appointments to meet with teachers in the afternoon. Students who require the early bus must sign up in the front office before the start of the exam period.
- Should all buses be cancelled, the exams scheduled for that day will be rescheduled for the next exam day. This means exams will happen in the same order as scheduled. In the event of a partial bus cancellation, we will work with affected students/classes directly. If you have any questions or concerns about the exams, please see Ms. Sanderson.
